

Guide to uploading your photos

1. Take a photo from the front with your teeth together.

2. Keep your teeth together, and take a photo from the side.

3. And from the other side.

4. Take a photo, from the front, with your teeth slightly apart.

5. Keep your teeth slightly apart, and take a photo from the side.

6. And from the other side.

Please send us all photos and we look forward to speaking to you.
